The honourable Carla Qualtrough

Minister of state (Sports)

The Government of Canada is pleased to support the 2016 International Gymnix.

For the 25th year, gymnasts from Canada and around the world will face one another in Montréal. This competition will be a tremendous opportunity for our young gymnasts to compete in a high-level event against other very talented athletes. These gymnasts are a wonderful example of discipline and passion for all Canadians, especially our youth.

As Minister of Sport and Persons with Disabilities, I would like to thank Gymnastics Canada and all the gymnastics clubs across the country that foster the development of their sport, from participants at the community level all the way to elite athletes. Thank you to the organizing committee and, especially, the many volunteers who have donated their time and talents to make the 2016 International Gymnix competitions a success.

L'honorable Carla Qualtrough

MESSAGE DU MINISTRE

Chaque année, depuis 25 ans, l'International Gymnix accueille quelques-unes des meilleures gymnastes au monde pour leur permettre de vivre une expérience des plus stimulantes et enrichissantes.

Cet événement unique au Canada nous donne l'occasion d'encourager des athlètes de haut niveau qui investissent des efforts considérables dans leur discipline et nous éblouissent par leur talent, leur agilité et leur détermination.

J'aimerais saluer l'excellent travail du club Gymnix et l'apport inestimable, notamment des entraîneurs, des officiels, des parents et des bénévoles, qui offrent un réel soutien à notre relève sportive et qui sont de précieuses ressources pour la réussite de cet événement d'envergure.

Je souhaite la meilleure des chances à toutes ces gymnastes. Elles méritent toute notre admiration, car elles sont une grande source d'inspiration et de véritables modèles de persévérance pour la jeunesse québécoise.

SÉBASTIEN PROULX

Ministre de la Famille*

Denis Coderre

Montreal's Mayor

The International Gymnix women's artistic gymnastics competition celebrates its 25th anniversary. I would like to congratulate the organizers and volunteers of the Gymnix Club for a job well done.

I would like to welcome the gymnasts from 14 countries and provinces. The International Gymnix is a unique event in Canada, a gymnastics happening, that brings together young, local athletes as well as national and international elite gymnasts. The International Gymnix is one of the few international competitions to offer apparatus that is raised on podium. It enables Canadian gymnasts to rub shoulders with the world's best competitors.

As an Olympic city, Montréal is pleased to be one of the cities along the Olympic route of several gymnasts who are getting ready to compete at the Rio Games this summer. Gymnix Club has been associated with the Olympics: since 1988, the Club has established a Canadian record in the field of artistic gymnastics with six Olympic participations.

I would like to thank the volunteers who dedicate their time and effort to help young gymnasts rise to the challenge. I wish the best of luck to the athletes competing in L'International Gymnix, and may the best win.

Welcome

On behalf of Gymnastics Canada, welcome to the 25th edition of L'International Gymnix. Year after year, it is with great pride that we welcome the best gymnasts in the world to Montreal.

L'International Gymnix is also a unique opportunity for our athletes to compete against the world's elite in front of their "hometown" fans.

We would like to take this opportunity to thank the organizing committee and their volunteers who worked tirelessly to develop this prestigious event and wish the best of luck to all gymnasts.

We hope you enjoy watching the performances during this international celebration of Gymnastics. Enjoy the show!

Serge Sabourin
FGQ's President

2016 is undeniably a key year in gymnastics. The Rio Olympics game, in which some gymnasts from the province may participate, is fast approaching. In addition, The International Gymnix is celebrating its 25th anniversary this month.

Few sporting events can claim to have grabbed the crowds and athletes' interest for over two decades. To achieve this, the organizers had to constantly reinvent themselves, and offer the best reception conditions for international delegations and for Quebec and Canadian gymnasts. With their world class podium, praised by big names of the sport, we are safe to say they have achieved their goal.

We wish all spectators and participants an unforgettable experience. Enjoy these few days of competition to marvel at the gymnasts prowess and impressive skills. Lose yourself in the festive atmosphere and, above all, celebrate your passion for gymnastics. After all, sport is as much fun to watch as to practice!

On my own behalf and on behalf of all members of Gymnastics Quebec, we would like to thank the organizing committee and volunteers for the time and energy they devoted to this renowned competition that enhances the beauty of our sport.

I wish L'International Gymnix a long and successful life!

Portrait

Bernard Petiot

Gymnastics has always been a big part of Bernard Petiot's life, Vice President Casting and Performance at Cirque du Soleil. From his childhood to the greatest achievements of his career, his passion for the sport (and for victory) has guided him to exceed the limits and to develop the greatest athletes and acrobats of the province.

Coach at Club Gymnix from 1980 to 1998, Bernard Petiot has helped to develop some of the best Canadian gymnasts of all time, including Cathy Giancaspro, Mylene Fleury, Marilou Cousineau, Julie Beaulieu, Amélie Fournier and Amélie Plante. He led the Canadian team to 13 world championships and two Olympic Games.

In 1991, he created the International Gymnix to support Gymnix training needs and to gain experience that could only be found abroad at the time.

IG :How did the idea of the International Gymnix grow?

BP :The early stages of this competition, before it became an international meet, were held at the CEPSUM of the Université de Montréal as part of my gymnastics class. I wanted to set up an annual competition that would support Gymnix's need to prepare for competition, but in the province of Quebec.

At the beginning, it was only a Canadian invitation. The event quickly gained momentum and has become very popular. CEPSUM quickly became too small to accommodate the gymnasts, so my colleague Yves Gagnon had the idea to move the event at Claude-Robillard Sports Complex. In the process, he transformed it in an international invitation attended by Americans, Russians, Romanians, etc. The International Gymnix was born!

IG :What were your goals when you started this event?

BP :When my gymnasts and I participated in international competitions, we always came back with an experience that we could hardly share with the other gymnasts, the parents and the staff.

The idea of welcoming gymnasts from different countries, who were staying with my athletes' families during their stay, gave me the opportunity to create a collective learning. Everyone could compare our different training approaches: nutritional diet, volume and intensity of training, coaches expectations, profile, weight, etc. The second objective was to motivate the high level gymnasts at home. It made the Gymnix community proud to compete with the best in the world, and to prepare accordingly.

I also wanted to create an instrument used to prepare the gymnasts toward high-levels gymnastics, inspire the younger athletes, increase the exposure of the club, wanted by Quebec and Canadian gymnastics community and recurring through time.

IG : What is your best memory of the International Gymnix?

BP : Whenever we won !!! Seriously, having Dominique Dawes, Podkopaeva, Chusovitina and Grosheva will be printed indelibly in my mind.

IG :How do you feel when you come back to attend the IG today?

BP :Great pride and great gratitude to the administrators, parents and volunteers who have believed in the event and who have picked it up and made it lived that long. It is now the event with the longest life in Canada.

COMPETITIVE PROGRAMS

The competitive sector offers services in all competitive categories recognized by the programs of the Quebec Gymnastics Federation. To get into this program, 4 to 9 years old girl must pass an audition for the Club-École, a pre-competitive program corresponding to the long-term career direction chosen by the coach, the parents and the child.

The girls are put into small groups and are taken care of by their respective coach along with dance, physical preparation, sports psychology and nutrition specialists depending on their level of competition. To reach their goals, the gymnasts train between 4 to 30 hours a week and 40 to 49 weeks a year.

RECREATIONAL PROGRAMS

These programs offer recreational activities for kids aged 2 to 15, during fall, winter and spring seasons. During the summer, the club offers a gymnastics day camp.

The toddler and young children program

For the children aged 2 to 6, the activities are essentially centered on psychomotor development allowing children to develop and master basic skills:

Motor skills: to run, to crawl, to climb, to turn, to jump, to throw, to hop, to catch.

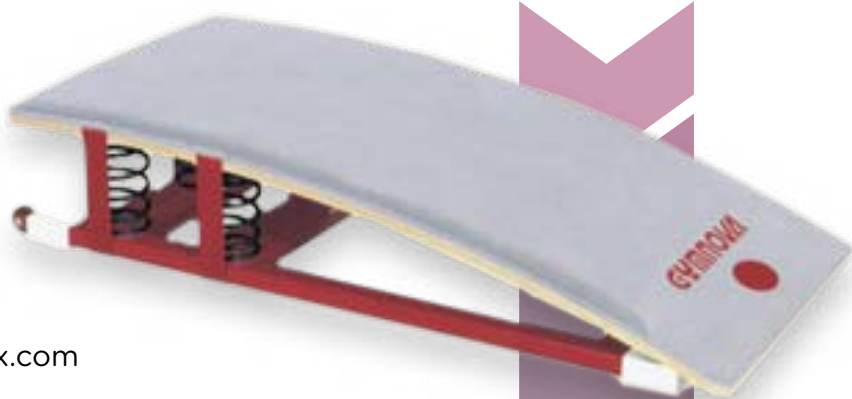

Perceptive-motor skills: coordination, agility, corporal perception, space perception, rythm.

These abilities are developed by using a pedagogical method that maximizes the time of the activity and a diversity of experiences: the circuit.

Recreational program

For the children aged 6 to 15, the activities aim to teach different gymnastic elements required on vault, uneven bars, balance beam, floor and trampoline. Children are grouped together according to their age and level for two hours a week.

- Other activities
- Adult activities : adult-gym
- Different birthday packages.
- School and day care programs.

Zoé Allaire-Bourgie

A Young Prodigy with Olympic Dreams

She is only 11 years old, but she already has people talking! Despite her young age, Zoé Allaire-Bourgie has already garnered the attention of the gymnastics and sporting community of Quebec. Her exceptional qualities, coupled with the expertise of the Gymnix coaching staff, have gymnastics experts believing that Zoé will follow in the footsteps of her predecessors from Club Gymnix, many of whom have earned their place in Canadian gymnastics history.

Since the very beginning, at age 4, Zoé has always turned heads. Initially gymnastics was for fun, but it has now become her passion. Competitions have become, for her, opportunities to challenge herself and occasions to experience emotions as strong as they are exciting.

Early on in the DÉFI program, where she earned marks of 96% and higher in all 6 levels, and later in the Pre-novice Canadaprogram, where she was Quebec Champion at the age of 9, she quickly drew attention to herself. Now at the Novice Canada level, Zoé stands out on the Canadian scene having earned a 4th place in the all around at only 11 years of age.

Not only as a double medalist at Elite Canada 2016 on bars and on beam, Zoé also stood out for her elegance, her unique style, and for her mastery of some of the more difficult elements in the code of points such as the piked Jeager on bars and the double turn on beam.

Ambitious by nature, she has set the goal of finishing among the top 3 in the all around competition at the Canadian Championships to be held in Edmonton in May.

Her exceptional physical attributes as well as her courage, her ability to adapt and her determination, led her to be recognized recently by the Quebec Foundation for Athletic Excellence (FAEQ), where she became the 6th athlete in Gymnix history to receive a bursary from this prestigious foundation, which has supported the development of high level Quebec athletes for more than 25 years.

It is through this foundation that Georges St-Pierre has chosen to support an up and coming gymnast and it is a true honour for Zoé to count him among her biggest fans and supporters.

Zoé is currently training with the objective of being named to the Canadian Team and representing Canada at prestigious competitions on the international scene. She dreams of one day following in the footsteps of her 6 predecessors from Club Gymnix, Olympians Cathy Giancaspro, Mylene Fleury, Julie Beaulieu, Émilie Fournier, Amélie Plante, and Nansy Damianova and competing in the 2020 Olympic Games.

Elite Gym Massilia

Travel diary

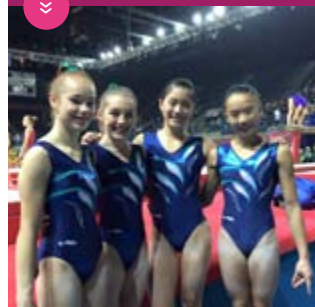

Three Gymnix's athletes had the chance to participate to their first international competition abroad in November, the Elite Hym Massilia in Marseille. Megan Philips, Myrelle Morin and Yan Mei Gaudette agreed to share with us some of their best memories.

« My first real trip to an international competition! It does not seem like it, but we were beyond excited and we couldn't wait to get on the plane! A week in France is way too awesome » - Yan Mei

Megan and her teammates of Team Quebec have handled the pressure and placed fourth in the Open Massilia.

»

« I've just completed my competition and I am very proud to say that it went well in all gears! Now I can relax and encourage my friend Myrelle who will start in a few minutes ... Go Myrelle !!! » - Yan Mei

«

« It was my first international competition in France. I was very proud to present my new floor routine. It was an incredible experience » - Megan

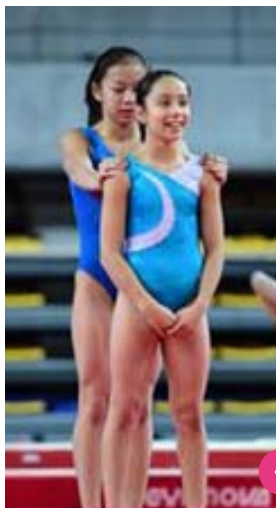

Psst! During the competition, a judge said, after seeing Megan's new floor routine, that it has been a long time since he was so deeply moved by a choreography.

»

«During training, when Yan Mei was doing her daily exercises »
- Myrelle
