Serge Sabourin

Président FGQ

Quel bonheur pour Montréal que d'accueillir de nouveau l'élite mondiale dans le cadre d'une compétition possédant un historique aussi riche que celui de L'International Gymnix! En effet, depuis plus de deux décennies, nombre de jeunes gymnastes en route vers les plus hauts sommets ont fait escale au Québec pour éblouir les foules et inspirer notre relève.

Alors que la métropole attend fébrilement la confirmation de la Fédération internationale de gymnastique (FIG) pour la tenue des Championnats du monde de gymnastique artistique 2017, L'International Gymnix offre un aperçu de la qualité des événements sportifs que le Québec peut organiser. Il va sans dire, la passion des administrateurs, gestionnaires et bénévoles québécois est capable de grandes choses!

À tous les athlètes et entraîneurs participants, nous souhaitons d'excellentes compétitions. Aux spectateurs, nous vous invitons à ne pas ménager vos applaudissements : les gymnastes le méritent amplement!

En terminant, il est impératif de souligner le travail exceptionnel accompli par les membres du comité organisateur et la formidable équipe de bénévoles qui ont parfois écourté leurs nuits pour vous livrer une fin de semaine haute en couleur et des compétitions mémorables. Sans plus tarder, place à L'International Gymnix 2015!

Président FGQ

L'honorable Bal Gosal

Minister of State (Sports)

Welcome to International Gymnix 2015.

As we celebrate the Year of Sport in Canada, Montréal once again has the honour of welcoming some of the best gymnasts from across the country and around the world to Canada's largest gymnastics competition. The young women taking part have come to showcase the athleticism and grace that make this sport so unique.

I offer my best wishes to all the gymnasts taking part. We are extremely proud of the achievements of our Canadians athletes and welcome the opportunity to see them compete here at home.

As Minister of State (Sport), I would like to thank the organizers, sponsors, volunteers, and everyone who has worked hard to make this event a success.

L'honorable Bal Gosal

Canada 

The history of L'International Gymnix

L'INTERNATIONAL GYMNIX women's artistic gymnastics competition exists since 1991. This unique event in Canada groups together the Canadian and world's elite in a festive atmosphere which combines performance and friendship. As one of the rare international competitions that offer apparatus raised on podium, this event is sought after by Canadian gymnasts. In 1995, the CLASSIQUE GYMNIX was created to welcome athletes from the provincial and national categories.

We are very proud to mention the names of a few world renowned gymnasts who have competed in previous editions of L'International Gymnix, notably the 1996 Olympic all-around champion Lilia Podkopyayeva and team champion Dominique Dawes, the all-around 2004 champion Carly Patterson, the 2007 world champion, Shawn Johnson, the 2011 world champion and Olympic team champion, Jordyn Wieber, and the 2010 world champion and 2012 Olympic bars champion, Aliya Mustafina.

In 2009 and 2010 male and female gymnasts from the World Cup circuit made a stop in Montreal for the first time since the 1985 World Championships. The Montreal audience marveled at the athletes' performances throughout these two unique events in North America.

Since 1991, gymnasts from all continents have filled the podium of L'INTERNATIONAL GYMNIX coming from Australia, Japan, Israel, France, Belgium, Spain, Switzerland, England, Austria, Russia, Ukraine, Byelorussia, Uzbekistan, Brazil, Argentina, Mexico, Colombia, Peru, Finland, Jamaica and the United-States.

« The wings » fundraising campaign

Since January 2014, Gymnix organized a support campaign to help its competitive gymnasts to reach their full potential. «The wings» program allows sponsors and donators to have a direct impact on Gymnix elite gymnasts' careers. All funds collected aim to carry out development projects such as training camps and competitions.

Each gymnast has her wings...

*« The wings help me to go higher, stronger, faster, further.
They support and comfort me through the toughest moments.
The wings take me closer to my dream everyday..
They are magical ».*

You can also contribute to the fulfillment of their dream by becoming a sponsor or a donator to the program.

The Perseverance of Melissa Corbo

Like most, Melissa Corbo began her gymnastics career at a very young age. In her case, in wanting to follow in the footsteps of her mother, Laura Huot, Club Gymnix gymnast in the 70's and Canada Games medalist in 1975, Melissa started gymnastics in Ste-Therese and eventually moved to Gymnix. A hard working and determined athlete, she attained the echelons of National and High Performance levels. 2007 was a year of her best performances at the Canada Games (2nd on uneven bars, 1st team) and the Canadian Championships (senior national level, 3rd on uneven bars, 3rd total, 3rd team).

At the end of 2007 she retired from gymnastics. Competitor at heart, she wanted to continue the life of a high level athlete. With immense pride she watched her friend and training partner, Nansy Damianova, reach the Olympics in 2008. Her desire to attain, herself, the highest summit in sports became even more intense. She therefore turned to acrobatic skiing, a natural progression for a gymnast. However, she had to perfect her skiing skills, something she did during the first three years.

Two serious knee injuries slowed down her progress on the ramps, but Melissa's tenacity and perseverance kept her motivated. Her year on the Nor-am circuit gave her a taste of an acrobatic career, and gave her the experience necessary to jump to the World Cup circuit that season. Strong character, excellent competitor, and blessed with a large capacity for concentration, Melissa surprised everyone by qualifying for the final in her first World Cup. During her third World Cup, she again surprised everyone by winning a bronze medal! This medal was the first medal for a woman in Canada since Veronica Bauer in 2008. We can say that Melissa made a grand entrance into the circuit, and used gymnastics as a trampoline toward the highest summits!

Gymnix Club

COMPETITIVE PROGRAMS

All of the competitive categories recognized by the Quebec gymnastics Federation are offered by our competitive program. To get into this program one must first audition for the Club-École. This is a pre-competitive program, for 4 to 9 years old girls, that trains them according to their corresponding orientation chosen by the coach, the parents and the child. After this stage, the gymnasts can move on to regional, provincial, national or international levels.

The girls are put into small groups and are taken care by their respective coach along with dance, physical preparation, sports psychology and nutrition specialists depending on their level of competition. To reach their goals, the gymnasts train between 4 to 30 hours a week and 40 to 49 weeks per year.

RECREATIONAL PROGRAMS

These programs offer recreational activities for kids aged 2 to 15 years old, 3 times a year: fall, winter and spring. During the summer, the club offers a gymnastics day camp.

The toddler and young children program

For the children aged 2 to 6, the activities are essentially centered on psychomotor development allowing children to develop and master basic skills:

Motor skills: to run, to crawl, to climb, to turn, to jump, to throw, to hop, to catch.

Perceptive-motor skills: coordination, agility, corporal perception, space perception, rhythm.

These abilities are developed by using a pedagogical method that maximizes the time of the activity and a diversity of experiences: the circuit.

Recreational program

For the children aged 6 to 15, the activities aim to teach the different gymnastic elements required on vault, uneven bars, balance beam, floor and trampoline. The children are grouped together according to their age and level and the classes are 2 hours a week.

Gymnastique

la base du sport

Pour toutes les activités physiques et sportives

La gymnastique est reconnue par le Comité International olympique comme un sport de base parce qu'il joue un rôle important dans le développement des mouvements fondamentaux et des habiletés sportives. La participation hâtive permet aux enfants de profiter d'un style de vie sain et actif pendant toute leur vie. Certains de ces enfants deviendront des champions olympiques et des mentors qui inspireront les jeunes Canadiens à faire du sport. Ils seront tous équipés de capacités physiques, mentales, sociales et émotionnelles grâce au sport de la gymnastique.

Gymnastique Canada, les fédérations/associations provinciales/territoriales de gymnastique et les clubs de partout au Canada travaillent ensemble pour financer et offrir des programmes de gymnastique appropriés pour chaque phase du développement de l'athlète.

Comprenez les principes du
DÉVELOPPEMENT À LONG TERME DE L'ATHLÈTE (DLTA)
à chaque phase du développement de votre enfant.
