IG CLASSIQUE GYMNIX 2024

Montreal, September 15th 2023

Dear gymnastics friends,

After a three-year wait, we look forward to welcoming you back to Montreal to take part in the **Gymnix Classic** which will be held March 6th to 10th, 2024 at the Complexe sportif Claude Robillard. Organized in chorus with **International Gymnix**, this event gathers gymnasts of all ages and levels to celebrate their shared passion for the sport and promotes excellence in a friendly and festive environment.

Athletes from level 6 to 10 and Novice athletes who are part of the national canadian ranking system are invited to compete in the **Gymnix Classic 2024**. Registration will open **September 25th at 12PM EDT** on [our website](#). Entries will be accepted on a “first come, first served” basis.

New feature! It is with excitement that we are offering a **team component** to the Gymnix Classic. The teams will be made up of 3 athletes from the same club, already competing in the individual component. The top teams in total apparatus will receive a prize!

By registering for the **Gymnix Classic 2024**, gymnasts and coaches are given free access to all of the **International Gymnix** competitions! We promise you quite a show for our big return!

The preceding **29 editions** of the **International Gymnix** have allowed us to admire the incredible feats of countless athletes, including some that have medaled at World Championships and the Olympic Games!

It is with great anticipation that I await everyone’s arrival to celebrate together this long legacy and passion for gymnastics in an event that is truly one of a kind.

Cordially,

Marie-Chantale Laplante
