INFORMATION FOR COACHES

1. ACCREDITATION

Accreditation will be distributed at the accreditation booth next to the elevator in front of the information desk on the ground floor at the Claude Robillard Sports Complex.

The accreditations will be distributed to clubs and not to individuals. **One club member** is responsible for picking up athlete accreditations before each competition session. The club member may also choose to pick up all club accreditations at once.

It should be noted that all gymnasts and coaches participating in the Classique Gymnix 2024 can attend all competitions of the International Gymnix 2024 for free, upon presentation of their accreditation card. These competitions include the Junior International Cup, Senior International Cup, and the Gymnix Challenge. They will have access to the reserved sections (H0, H1, H3, N3, N1, N0, X, W, P, and O) in the stands.

Please note that during the Classique Gymnix and Challenge Gymnix competitions, seats are unassigned. Therefore, you can sit on either the Gym A or Gym B side throughout these competitions. However, during the international competitions (Junior Cup, Senior Cup, and finals), seats are assigned according to the sections indicated on the tickets. Thus, coaches and athletes with accreditations will not be able to access ticket holder areas, and vice versa.

2. WARMUP

Coaches are responsible for informing their athletes of their warm up location. Gyms A and B are located on the ground floor; Gym C is located in the 2nd basement of the sports complex. Feel free to inquire at the information booths located at both entrances of the sports complex if needed.

3. MUSIC

All the classic athletes' music should be downloaded on *SportzSoft*. We ask that you bring with you a USB of the music as a backup.

4. PERSONAL EFFECTS

Locks: Please plan to use a padlock to keep your personal belongings secure in the locker rooms located on the ground floor and the 2nd basement level of the Complex. Outerwear (boots and coats) is not permitted on the warm-up and competition floors.

Shoes: Gymnasts and coaches must wear sandals or running shoes to walk from the warm-up gym to the competition floor.

5. THERAPY

A physiotherapy service will be available at the warm-up and competition area for injuries and emergency taping. Athletes requesting pre-competition taping must provide their own materials.

6. GIFTS

Coaches and gymnasts must visit the official IG boutique, located on the 2nd floor in the Gymnastics Lounge, with their accreditation to receive their gift.

NEW! The winning teams of each category will receive their awards at the end of the medal ceremony of the last session of each category. The team awards are only for Level 6 to Level 10.

7. FOOD

- o Food will be provided for accredited coaches **during** their presence on the competition floor. A provisioning area will be set up directly on the competition floors (coaches' lounge) during meal times. It is prohibited to take food out of the coaches' lounge.
- o Coaches who are not in competition during meal times can dine on the 2nd floor of the Sports Complex. Several food stands will be available for your convenience.
- o Please note that the IG cafeteria (3rd floor) is reserved for volunteers and officials.
- o To help us take a small step for the environment during the event, we kindly ask for your assistance with the following actions:
 - Bring your reusable water bottle. Water fountains are available at various locations in the Claude-Robillard Sports Complex for refilling and no single-use plastic water bottles will be available on site.
 - Do not leave any waste behind. Dispose of it in the appropriate bins (trash, recycling, or compost).
 - Additionally, if you are from Montreal, we encourage you to use public transportation. If you are from outside Montreal, carpooling is encouraged.
- o Please note that it is important to return your accreditation lanyard to one of the designated bins at the information booths. The goal is to produce fewer lanyards for next year.

8. VIP EVENING

We invite you to join us on Saturday, March 9th, at 9:30 PM, after the Junior Cup for the IG party! Snacks and drinks will be provided. It's the perfect opportunity to mingle with coaches from all clubs and countries, representatives from Spieth and GK, Olympians, and more!
